An UnHaunted Hayride At Mills Apple Farm

Come on out to the farm for an unhaunted hayride! Yes unhaunted. It seems the Ghostbusters & Buffy were out here last week and did their best at clearing out all the ghouls and goblins. Then again, we cannot be certain. Either way, it'll be fun for the whole family!

The general public is invited to this "open" hayride; no reservations required. The hayrides begin at 7 pm and will last 30 minutes, with the last ride at 9 pm. Hayride cost is only \$5 per person. Food and beverages will be available for purchase at our concession stand.

Campfire, music, games.....
