BAKERY ORDER INFORMATION

Bakery Items	Price
Apple Crumb Pie	\$12.00
Apple Double Crust Pie	\$12.00

We recommend ordering pies two days in advance during school tour season. Without an advance order, hot pies are available in a limited supply on a first come, first serve basis.

Other bakery items may be purchased during your visit based on availability. We are also working to build up a stock of fully baked pies in our freezer. Simply thaw and enjoy. We hope this will allow more of our customers to enjoy the great flavor of our products.

We bake from scratch and hand-make each item to give you the highest quality product.

Please call the farm directly at (618) 887-4732 to reserve your freshly baked apple pies. We will need your name, phone number, date/time of pick-up, and school name.

Thank you!
