An UnHaunted Hayride At Mills Apple Farm

Come on out to the farm for an unhaunted hayride! Yes, unhaunted. It seems the Ghostbusters & Buffy were out here recently and did their best at clearing out all the ghouls and goblins. Then again, we cannot be certain. Either way, it'll be fun for the whole family!

The general public is invited to this "open" hayride; no reservations required. Hayride cost is only \$5 per person. Food and beverages will be available for purchase at our concession stand.

Campfire, music, games.....
